

Health & Safety Policy Statement

The company is committed to the health & safety policy to ensure that its workers work in a safe environment, and to promote the health of its workers. The goal of the company is to achieve a high level of health & safety at all times, and to improve its health & safety provision on a continual basis. Commitment to the implementation of supporting managerial and business operational systems is essential to realising that goal.

It is this company's intention that its work will be carried out in accordance with the relevant statutory provisions and meet the requirements of ISO 45001 and that all of its activities will be conducted with regards for individual health, safety and welfare of both workers and other interested parties.

The company recognises the benefits of ensuring an injury free workplace and will strive to attain this goal by making health and safety a priority amongst its business objectives. However, health and safety will never be compromised for the sake of other objectives.

Management and Supervisory workers have the responsibility for implementing this policy throughout the company. Management will ensure that health and safety measures, designed to control risks, are monitored and reviewed. Management must also ensure that their own work is carried out without risk to themselves or others.

All workers and interested parties are expected to co-operate with the company in carrying out this policy and must ensure that their own work is conducted in accordance with any training and information that has been provided regarding health and safety.

The Managing Director has particular responsibility for health, safety and welfare and to whom reference should be made in the event of any difficulty arising in the implementation of this Policy.

He will also ensure full communication with workers and any other interested parties is maintained.

This statement of company policy will be communicated and displayed prominently around the workplace.

The organisation and arrangements for implementing the policy will also be available within the workplace for reference by any workers as required.
